

Hospice Dinner 2010

Our Annual Hospice Dinner is scheduled for August. This is such a worthwhile cause and we need to form a Committee to assist in the planning of the dinner and other activities that lead up to the dinner. Please let reception know if you are willing to be part of this planning committee. We will need someone willing to coordinate the activities as well as helpers for specific tasks. Names to reception please and for those who are interested we will call a short meeting to discuss requirements.

Garages

I have a vacant garage available for rent. Anyone interested please discuss with me.

Gardens

The gardeners are now moving around the village following their normal schedule and one of them will be trailing about two to three months behind the schedule visit doing a "quick" tidy up. This is to give you an extra visit and hopefully will reduce the work on the next scheduled visit, thereby speeding up the process. We will monitor this to see how it goes.

Macular Eye Degeneration

On Saturday 22 May at 10.00am a talk will be held in the restaurant on Macular Eye Degeneration. The talk has been organised by the Park Street Eye Clinic who requested use of our facility as a venue. It will be open to members of the Public and of course all interested residents are welcome to attend.

Have a Happy Week

Sandy
