FROM THE MANAGERS DESK

Budget Meeting

Don't forget the meeting at 2.00 pm today in the restaurant. Afternoon tea will be served after the meeting.

Table Tennis

Apparently some of you are playing table tennis on the carpeted area. This is causing scuff marks on our new carpet. Please roll the table onto the dance floor for your game. Thanks.

Away

I will be away on business and annual leave from Friday 20 May, returning on Wednesday 1 June. Initially Maree and I will be attending a Lend Lease Sales Seminar in Sydney. I will then be taking a few days annual leave followed by a meeting in Auckland. As usual I will leave the Village in Judy's capable hands. In her absence the first point of contact during working hours will be Rosie. Please give them your support.

Swimming Pool Users

Some swimming pool users are concerned about the absence of the mats from the changing rooms since we had the floor re-surfaced. I think we should come together to discuss this. In my absence I have asked Jane to convene a meeting with anyone concerned about this issue. Please attend the meeting in the pool area on Thursday 26 May at 10.15 am.

Replacement Chef

Lucy has resigned from her position in the kitchen after almost 7 years. She has decided to move to Taupo where she has secured a job at the Zest Café. She will be finishing up on 10 June. I certainly appreciate the length of notice she has given. I am currently interviewing for a replacement for Lucy and will advise that in due course.

Casual ERA

We seem to have an ongoing issue with getting emergency response staff who are prepared to do the night shift. I am pleased to announce that Tess Nesdale will be starting in this capacity. This is necessary as Heather and Dot are the only night staff and Dot will be going on extended leave shortly. Tess has many years' experience as a nurse and is currently doing some part time work at Cedar Manor. Please welcome Tess and assist her in settling in.

Have a happy week
Sandy

THIS WEEKS MENU

I'm afraid there is no prize for the person who tells us that the wrong dates are on the dinner menus!!!! I was in such a hurry to get these out to you I engaged the printer before I engaged my brain!!!! Menu is correct for the week. Dates are wrong.

Heather and the Girls in the Kitchen

From the Gardeners

In case you were wondering..... some of the box hedging around the main centre has been cut hard in order to prevent the spread of box blight (a fungus disease). Some plants have shown signs of this disease and hopefully the pruning will help prolong the life of the plants by increasing air movement.

Also a big thank you to Bruce and Kerrie Coker for the clivia plants that we have planted outside the music room.

Ocean Shores Christian Fellowship

Sunday Service 22nd May

This week we are really privileged to have Peter Hanscamp as our guest speaker.

Peter is currently the Regional Director for the Asia Pacific for Community Bible Study International. His area of responsibility ranges from Mongolia to New Zealand and Pakistan to Tahiti. This means that he is reaching out to two and a half billion people. That's quite a challenge. He has, however, a good team of people to support him.

He has recently arrived back in Tauranga after a visit to Korea and China. Whilst in China he preached in a church in Fuzhou. Which we are sure is slightly different from the various local churches he preaches in whilst he is resident in New Zealand.

We would be delighted if you would come and join us to listen to this very interesting speaker.

We meet in the Music Room at 7 p.m. on Sunday.

Brenda Bleakley

Car Cleaning

Barry Tipping is available to clean cars for residents. Please see Maryanne at the Salon to organise this great service. (Maryanne is in the salon Mondays, Tuesdays and Fridays).

Wednesday Exercise Classes

We are always grateful to Chrissie who gives so much of her time to help you all keep on track with your exercise regimes.

As you know, Chrissie has kept her prices very low since 2005 but as the cost of living has increased for all of us they have also increased for Chrissie. Prices will therefore increase by \$1 as from the 1st June.

Do not be alarmed at this! It is the best deal you will get in town. I called around a few gyms today and an exercise session can cost anything from \$12 (on concession) to \$18 per session. We can't encourage you enough to keep up with these wonderful exercise classes.

Snooker Club News

After many months, our Singles Snooker Handicap Competition has finally been completed with Rod Pilcher winning the Ken Haines Trophy in two straight games from the runner-up, Graham Rollo. CONGRATULATIONS ROD!!! Snooker is a great game and we would welcome any new players. Generous handicaps are given to those who join us.
